Summer Fun!

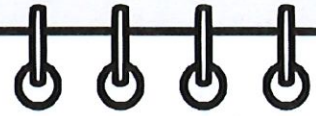

Hello Families of Salem Lutheran Childcare & Preschool:

We are having so much fun in the sun! We are so excited to be playing outside as much as possible. We have been having a lot of fun in our theme weeks learning about Noah's Ark, Dinosaurs, June Dairy Month, The TEN Commandments, and many more!

The preschool garden is looking pretty good. We will be checking it again very soon and will begin pulling the weeds.

We are looking forward to walking to the library and having storytime there on Thursdays and then once a month heading to the Park for stories in the park.

We hope everyone is having a fun summer so far!
